# North Carolina Troopers Association

Proudly serving the men and women of the NC Highway Patrol since 1977 many of you know about the great work done by the NCTA for its members and the citizens of North Carolina; Your sponsorship will assist in providing us with the means to continue this proud tradition.

From providing refreshments to Troopers on special assignments at the NC State Fair to helping a widow during her most desperate time of need to providing donations to Troopers who have had their homes destroyed by fire, tornadoes or floods the NCTA is Always ready when a brother or sister is in need. We make hospital visits to children, wives and Troopers themselves who are sick; many meals have been taken to hospitals to ensure that the parents don't have to leave their child's side.

There are also many other programs that the NCTA sponsors geared towards the public such as our Bears Against Drugs program or something as simple as bringing Santa to local churches or hospitals for the children's delight.

With your assistance we can continue these programs and do even more in the future.

Your contribution benefits the active and retired members of the NCTA.
